

# Shipping Methods

---

## **Standard Shipping**

Shipping to any type of address, includes lift gate service. Delivery address must be tractor trailer accessible.

## **Business with Loading Dock or Forklift**

Delivery address must be in an area zoned commercial and include either a loading dock or a fork lift capable of unloading a pallet from the carrier's truck.

## **Business without Loading Dock or Forklift**

Delivery address must be in an area zoned commercial. Includes lift gate service. Delivery address must be tractor trailer accessible.

## **Nearest Terminal Pickup**

Shipment will be delivered to the nearest freight terminal available. Upon delivery the carrier will call to setup a pickup appointment. For additional information on locations please send a terminal location request via email to [info@cabinets4uonline.net](mailto:info@cabinets4uonline.net)

## **Residential with Lift gate**

Discounted shipping to a residential address includes lift gate service. Delivery must be tractor trailer accessible.

\*Pricing on orders shipping to Canada does not include Duty, Taxes or Brokerage fees. For additional information regarding these fees you can view [www.aacb.com](http://www.aacb.com).
